

Bruce A. Stevens, Director
Division of Reclamation
Department of Natural Resources
R.R. 2, Box 129
Jasonville, IN 47438

Dear Mr. Stevens:

As a result of our conversations and meetings between my staff and yours, the Indianapolis Field Office has prepared the performance agreement between our offices. I am sending this agreement along with pertinent workplans to you for your review, and, if you concur, signature.

I have already signed the agreement so that if you agree, please sign and retain a copy for your office and return the original to me for the public file. It is my hope to have this process completed and the performance agreement signed by November 14th. In that regard, if issues arise, let's address them immediately rather than waiting until the last minute. I am hoping that no changes are necessary, but if there are, please let me know.

Sincerely

Andrew R. Gilmore, Director
Indianapolis Field Office
